**Firm Philosophy & Objectives**

Calvin L. Hinz Architects, P.C. is a Service Disabled Veteran Owned Small Business. We are an architectural firm with four main areas of expertise: Health and Senior Care, Education, Religious, and Financial facilities. In addition, we have designed many public facilities including fire stations, ice rinks, libraries, restaurants, and public housing. Whatever the project, CLH is truly a diverse company that takes pride in solving clients' facility needs in a creative, yet practical way. We work closely with our clients when designing their facility to ensure that all programmatic needs, interior finish requirements, and budget constraints are met. CLH is very experienced in designing a variety of structures that exceed our client's expectations. Our commitment to excellence is evident in our repeat client base.
