

Architectural Education Scholarship

- Presented to a current 2nd year full time student, enrolled in the Bachelor of Science in Design at the College of Architecture, University of Nebraska- Lincoln
- Applicants are required to submit an application, including their overall GPA, statement of goals, and outside involvement/leadership and one personal or professional letter of recommendation. Applicants are not required to be members of AIAS (American Institute of Architects Students.)
- The Architectural Foundation of Nebraska is a 501 (c)3 non-profit corporation in the State of Nebraska organized in 1981 exclusively for charitable and educational purposes. The Foundation's mission is to inform the people of Nebraska of the importance of their environment and the value of architecture, and to raise awareness of the long-term impact of architecture as a signature of culture.
